

# **LONDON MATCHED MARKETS EXCHANGE**

London Matched Markets Exchange (formerly JP Jenkins) (**LMMEX**) provides companies with a facility enabling existing and prospective shareholders to deal in their shares. This provides a cost effective mechanism to buy or sell shares.

If WIHL Shareholders have an existing stockbroker, they can instruct their existing stockbroker with a limit order who in turn will contact LMMEX to place the limit order on their behalf. Once the limit order has been executed, the WIHL Shareholder will receive a contract note from their stockbroker.

Should a WIHL Shareholder not have a stockbroker they can use the services of LMMEX once the required paperwork has been completed.

The LMMEX share matching facility is open to take limit orders and match willing buyers and sellers Monday to Friday from 8:00 a.m. until 4:30 p.m. excluding bank holidays.

Following the recent listing on the Bermuda Stock Exchange, WIHL Shareholders will still be able to deal in their shares using LMMEX.

Should you require more information regarding the LMMEX share matching facility please visit their website ([www.lmmex.com](http://www.lmmex.com)) or contact LMMEX directly:
